Three Things about Jo!

Jo loves ... letting her creative side go wild in the garden or on her next DIY project.

Jo wishes ... she had Hermione Granger's time-turner!

Jo's favourite teacher was her Primary school teacher; she once prepared a class by filling fish tanks with layers of sand and buried objects that needed delicate digging out with paint brushes! Jo says; "it was the most memorable class I ever had and for several years after I became an avid watcher of time team and hoped to be an archaeologist!"

"Working in Schools' Choice provides the perfect combination of creative and agile working; supported by a great team, together we are able to make a positive difference to our customers."
