

# Julie Dorling

*Core Finance Team Manager*

**Following a career in banking, Julie started working in Schools' Finance in 2005 as part of the Finance Helpline.**

Originally, the helpline was split across three areas, the Northern, Southern and Western areas and Julie initially joined the Western area team.

She progressed to helpline team leader and then onto team manager.

Having worked in the team for a number of years, she has seen many changes as the service has evolved and she says she feels very lucky to work with such a great team of people.

## Three Things about Julie!

Julie loves ... nothing better than a West End theatre trip - Les Mis is her absolute favourite

Julie wishes "that my cake baking skills were a subject of conversation for the right reasons!"

Julie's favourite teacher was Mr Ripley - her Primary School Teacher. She says "He was always encouraging and supportive and somehow persuaded me to take to the stage and sing a solo. A one-off performance!"

***"It is very rewarding working with schools & academies. I love being part of a team that are fully committed to delivering services that our customers value."***
